

Wisconsin Health Science Library Association Newsletter

October 1981

No. 131

COMING EVENTS

- October 16 2:00 - 3:50 MLA-CE Neoplasia via the Educational Telephone Network. Patti Corbett, Instructor.
- October 19 MHSLN Assembly. Chicago.
- November 4 10:00 - 11:50 ETN Seminars for Health Sciences Librarians. International Year of the Disabled.
- November 4-6 MEDLINE Update Clinic. University of Illinois at the Medical Center, Chicago.
- May 20-21, 1982 WHSLA Annual Meeting. Concourse Hotel, Madison.

ETN SEMINARS BEGIN NOVEMBER 4

November 4 at 10:00 a.m. marks the opening session of the Health Science Libraries Seminars. The topic for that day is the International Year of the Disabled. Geraldine Matthews, Director of the Library Information Center, Central Wisconsin Center, Madison, and Richard Bopp, Project Director of the Center for Rehabilitation Information, University of Illinois, Urbana, will be the leaders of the Seminar. The discussion will center around the emphasis of the UN Year of the Disabled as well as various sources for information gathering in this subject area.

This series now carries MLA-CE credit. You must attend and sign the attendance sheet at your listening site in order to receive MLA credit. Seminars will be held the first Wednesday in November, January, March and May.

There is still adequate time to register, although the course materials may not be at your listening site in time for the first session. Registration materials are in the September and October Newsletters.

WHSLA BOARD MEETING MINUTES

MINUTES
EXECUTIVE COMMITTEE MEETING
September 18, 1981
Wisconsin Rapids

The meeting of the Executive Board was called to order at 10:15 a.m. on Friday, September 18, 1981 at the Mead Inn, Wisconsin Rapids.

The minutes of the Previous meeting were approved as read.

Board members present were Anne Taylor, Susan Anderson, Diana Slater, Bill Nielsen, Mary Hein, Shelly Jordan, Marilyn Paulson, Deb Gilles Nordgren, Joy Shong, Eileen Emberson, Deb Hall, and Larry Jacobsen. Committee chair people and members that were present were Nancy McGill, Peg Allen, Carolyn Barloga, Al Zimmerman, Barb Schmiechen, Bessie Stein, Betsy Merriam.

Treasurer's Report

The balance of the Association's treasury as of September 17, 1981 was \$2,953.00. The high balance of \$6,393.28 on May 7, 1981 reflected the income of the Annual Meeting; the current balance reflects the 1981 Annual Meeting disbursements. Deb Hall and Larry Jacobsen discussed briefly the problems with interpretation of the Treasurer's financial statements as currently reported.

Committee Reports By-Laws

Recommendations for additions to the By-Laws, submitted by the By-Laws Committee, will be presented to the members in the WHSLA Newsletter. As a result of the 1981 Annual Meeting and membership problems arising from it, Larry Jacobsen, chair of Membership Committee, brought up the question of out-of-state people (non-Wisconsin) becoming members of WHSLA. Some discussion centered around different techniques of soliciting membership at the Annual Meeting.

While the issue was referred to the By-Laws committee (there is no By-Laws statement requiring Wisconsin residency), it was the general feeling of the Executive Committee that WHSLA should be open to non-Wisconsin members. It is an organization of librarians, not institutions or organizations.

Continuing Education

Margaret Allen presented guidelines for instructor and speaker Annual Meeting honoraria. She also presented C.E. Committee guidelines which included that the C.E. Committee serve as advisor to the Program Committee. She urged that one person on the C.E. Committee function as the local liaison to the Program Committee. Discussion arose about determining an upper limit for honoraria as well as using a per diem for meals rather than itemization of meals. The guidelines will be submitted to the Guidelines Committee.

Guidelines Committee

Deb Hall submitted a written report for the Committee. Due to the length of the report she asked that Executive Committee members review the report, and comments on it will be solicited via mail using the Delphi technique. A final report is to be issued at the 1982 Annual Meeting.

Legislation Committee

Each committee member will report on specific topics in articles in the WHSLA Newsletter. Betsy Merriam asked if the previous set of legislative articles in WHSLA Newsletter was useful. Executive Committee members indicated that they found them helpful and urged that the articles continue.

Membership Committee

Larry Jacobsen reported that current membership is 125, and that the Committee is aiming for 150 members. He also stated that a current membership roster and a set of By-Laws would be immi- nently mailed to all members. Carolyn Barloga presented the draft of a new WHSLA brochure developed for recruiting purposes, and Al Zimmermann presented a list of guidelines and ques- tions that he and Katie Pavloski had developed for a WHSLA budget.

Discussion concerning the WHSLA budget guide- lines included the pros and cons of having an annual budget based on a fiscal year versus a calendar year and the problem of librarians' institutions absorbing WHSLA costs.

The guidelines were referred to the Guidelines Committee which will write the final guidelines for the budget.

Planning & Development Committee

Bess Stein explained that the charge to the Committee appeared to be vague, and the members were uncertain whether the Committee charge should be taken literally - to accept the given objectives of WHSLA as stated in the By-Laws and develop short-and long-range plans for accom- plishing them - or to develop new objectives. The Committee chose the latter as their charge to the consternation of the Executive Board.

Joy Shong explained that the reason for the establishment of this committee was to give WHSLA some guidance about where it should be going based on currently existing objectives.

One of the committee's recommendations was to survey the membership concerning their professional needs. Anne Taylor questioned the necessity of surveying membership of needs as the result of redefining the objectives of the Association. Bess distributed copies of the proposed mem- bership survey. After examining the form, Board members asked that the questions be rewritten, so that they were concrete and easier to respond to.

Program Committee

Deb Hall submitted the final report for the 1981 Annual Meeting. Costs were consistently under the anticipated expense. The Meeting was under budget by \$600.00 with \$250.00 donations received un- solicited from vendors.

Nancy McGill reported on the plans for the 1982 Madison Annual Meeting. She reported the results of a 12 person planning session. She presented the Executive Committee with 2 dates and 2 hotels for the meeting. The Committee selected the Con- course Hotel for May 20-21, 1982

The theme will stress surviving budget cuts and communicating effectively with administrators.

The Board authorized that \$300.00 of seed money be given to the 1982 Program Committee to cover bills received prior to arrival of registration fees.

Old Business

(1) Incorporation

Deb Gilles Nordgren presented the recommendations of the Ad Hoc Committee for Study of Incorporation. However, as the result of some earlier discussion with her husband on the topic, she felt that there may be another section under which the Associ- ation could incorporate as a tax-free non-profit

organization. She felt a legal opinion was nec- essary and asked for funds of less than \$100.00 to consult a lawyer.

The motion was made by Larry Jacobsen and seconded by Susan Anderson that Deb explore further the incorporation of the association and seek legal counsel if necessary.

(2) Selection and Election of Area Representatives
Deb Gilles Nordgren reminded people that the new area representatives must be elected/appointed and available before the 1982 Annual Meeting.

(3) Stationery

Barb Schmeichen talked about the revision of the WHSLA logo to make the logo on the Newsletter and stationery the same. Joy Shong moved that Barb and Larry Jacobsen look into redesigning the WHSLA logo as well as different type style for the name. It was urged that recommendations and a decision about the logo be made before the new WHSLA mem- bership brochure and the 1982 WHSLA Annual Meeting publicity are printed.

New Business

(1) Representation from the Division for Library Services

Betsy Merriam of DLS asked that WHSLA formalize its relationship with DLS. She suggested that a DLS individual be a non-voting, ex-officio mem- ber of the Executive Committee, so that DLS would be committed to being involved with WHSLA. Since there are other organizations that WHSLA may wish to keep informed of its activities or with which it wishes to maintain official contact, Larry Jacobsen recommended that the Planning & Development Committee be assigned the responsibility of determining what representatives of what groups would be valuable to have on this Committee or Executive Board. Betsy's request for DLS representation was then tabled until the Planning & Development Committee recommendations are received.

(2) Advances for Annual Meetings

The Board authorized that \$300.00 of seed money be given to the Program Committee for bills received prior to arrival of registration fees.

(3) WHSLA Executive Board Meeting at MC/MLA, Milw.
Bess Stein distributed the proposed program schedule for the Fall 1982 MLA Midwest Chapter Meeting to be held in Milwaukee. She asked if there was a specific date in mind yet for the Fall WHSLA Board program listing. There was no consensus about the best time for the meeting, so Ann Taylor, the next WHSLA President, will make the decision before April 1982.

(4) WHSLA Mailing List

It was determined that the WHSLA Secretary, rather than the WHSLA Membership Committee chairperson, would be responsible for maintaining the WHSLA mailing list. The chairperson of the Membership Committee would forward membership additions, de- letions and name or address changes to the Secretary. He will also continue to send additions to the WHSLA Newsletter editor.

A copy of the WHSLA mailing list is available to any WHSLA member and is restricted to WHSLA members.

(5) Wisconsin Library Network Plan

Betsy Merriam announced that the Wisconsin Library Network Plan, which details sources of funding,

Executive Committee Meeting Minutes cont.

(5) Wisconsin Library Network Plan cont. organization and structure, and governance for multi-type library cooperation, will be available shortly. The availability of the report and ordering information will be announced in the WHSLA Newsletter.

(6) State/Regional Health Science Library Organizations

Bess Stein has been working on a project as a result of the MLA Midwest Chapter meeting in Milwaukee. She has compiled a listing of all state health science library organizations as well as those of regional groups, and will be publishing it and distributing it in the name of WHSLA.

(7) COWL Representation

Mary Bayorgean has been representing the Special Libraries Association (SLA), American Society of Information Science (ASIS), and WHSLA on COWL, Council of Wisconsin Librarians. Her term is now complete, and we need a new representative to be elected from the three organizations.

Adjournment

The meeting was adjourned at 2:30 p.m.

Respectfully submitted,

Diana Slater

Secretary

BESSIE STEIN CWHSLN MEMBER

Last month's membership list of the Council for Wisconsin Health Sciences Libraries Network inadvertently omitted Bessie Stein, Director of Todd Wehr Library, MCW, Milwaukee. Bessie serves on the Council as a Representative of MCW and is a State Representative from the Resource Library to the MHSLN Assembly. Please add her name to the Newsletter listing.

STATE COUNCIL REPORT

On September 18 immediately following the WHSLA Board Meeting in Wisconsin Rapids, the Council for Wisconsin Health Sciences Libraries Network (CWHSLN) met to work with issues relating to the Network in the State.

Deborah Hall chaired the meeting that included many participants, both members and guests.

The Council heard the report of Basic Unit Representative Eileen Emberson to the MHSLN Assembly. (See the August Newsletter). A major follow-up item that she discussed with the members was the inputting of Wisconsin hospital libraries' monograph holdings into the Regional Monograph Data Base. Most people present felt that there were a number of things that would prevent them from including their holdings, such as cost to their institution, small collections, and materials that would not be unique. The ability of Basic Units to use their computer terminals to identify the location of materials at Resource Libraries is an important part of this project.

Libraries were reminded that there are still MHSLN funding resources available for referrals from MCW and Middleton to other Resource Libraries. Therefore both Resource Libraries will continue to refer material requests elsewhere in the Region as long as those funds are available.

Two committees are now functioning within the Council, the Serials Locator List Committee and the Consultants Committee. Both groups are beginning their preliminary work. The Committee on Health Sciences Library Consultants is using the Publication of the MLA Committee on Consultants as the basic framework for their work. Serving on this Committee are Mary Bayorgean, Eileen Emberson, Joy Shong, Deb Gilles Nordgren and Barbara Schmiechen.

Council members indicated that the Interconsortium Interlibrary Loan Agreement is working well. Since the informal agreement includes the stipulation that any charges can be assessed by the lending library, the Council asked the Consortium Coordinators to list their consortium members and their interconsortium ILL charges. That list will be published in the November Newsletter.

The Council will meet again in May, 1982, during the WHSLA Annual Meeting in Madison.

Barbara Schmiechen, Secretary.

CONTINUING EDUCATION SURVEY

WHSLA Continuing Education chair Peg Allen urges Newsletter readers to respond to the Continuing Education Survey published in the August Newsletter. She is asking people to do so by December 1.

A number of surveys have already been received and those currently tallied will be used to plan for the continuing education activities of the 1982 WHSLA Annual Meeting. Any other surveys received will add important data for future WHSLA planning and will also be used to plan CE's for the Fall 1982 MC/MRG Meeting in Milwaukee.

At the time of this writing there is some question whether the MLA-CE 54 Neoplasia will have enough participants to be offered on ETN beginning October 16. If you signed up for the Neoplasia ETN and have been informed that it was cancelled, please call Peg Allen at 715-387-7374 if you want to see this offered at the Spring 1982 Annual Meeting. Because it was to be offered this Fall it did not receive enough votes to be offered again in the Spring of 1982. The CE Committee would like to include it in its Spring 1982 Programming decision if there is continued need for it.

MIDDLETON'S NEW MEDLINE CHARGES

The Middleton Health Sciences Library announces

that Medline and other databases such as Healthline will cost \$8.00 as of October 1st. This raise in price is necessary because of an increase of almost 50% by the National Library Of Medicine for computer connect time. An exception is Taxline, which costs \$8.00. Offline printing charges remain the same at 15¢ per page.

PEOPLE

Marilyn B. Sullivan, Associate Director for Administration, Todd Wehr Library, The Medical College of Wisconsin, has been granted a 9 month leave of absence to act as consultant for the University of Kuwait School of Medicine Library. The 25,000 volume library is part of a new developing medical school. The language of instruction is English and the curriculum is American-based. She will be responsible for the development of policies and procedures, long and short-term programs, expansion of the library's collection, and the introduction of computer technology to library operations.

Candia Welsh, formerly of Curative Workshop in Milwaukee, has accepted a position at the University of Kansas Medical Center at Wichita, Kansas.

Karen Schmidt is the new Librarian at Medical Associates, Menominee Falls. She replaces Kirsten Shalstad who is now a health sciences librarian at one of the hospitals in Duluth, Minnesota.

St. Francis Hospital in LaCrosse also has a new librarian, Sister Louise Theresa Lotze. She joined the staff of St. Francis this summer, coming from Minnesota.

Ellen Cooper sends word from North Carolina that she has been named Librarian of the School of Nursing at Presbyterian Hospital, Charlottesville. She is looking forward to a new library facility serving all staff members of the hospital.

RED COUPONS

Many of you have received 50¢ red coupons from the MHSLN Management Office as reimbursement for your 1980 payment to some Resource Libraries. Middleton asks you to continue to hold on to them until you hear differently. MCW suggests their users apply them to any bills that may arrive later in the year from any Resource Library.

COORDINATOR-EDITOR'S NOTES

- 1) AS1 did not have enough participants enrolled to offer the ETN course this year. We are seeing fewer changes in the State among Librarians/Library Managers. We have also had full course enrollment for the last three years with North Dakota joining us the last two. We hope to hold a time slot for 1982-83 in order to offer the course again. There should also be a new edition of the course text, Basic Management for Health Sciences Librarians, available at that time.
- 2) All consortium coordinators should send Consortium ILL statistics and a list of consortium members and their interconsortium charges to me by November 1.
- 3) Any library interested in writing a Resource Improvement Grant must get the grant material from the MHSLN Management Office in Chicago. I would be willing to serve as a grant reviewer before you send it back to the MHSLN Office.
- 4) Although the Council consensus showed very little interest in inputting holdings into the Regional Monograph Data Base, if you are in a hospital that would like to do so, please contact me.

Barbara Schmiechen

This Newsletter is published for the Wisconsin Health Sciences Libraries at Middleton Health Sciences Library, 1305 Linden Dr., Madison, WI 53706. It is supported in part by the Wisconsin Health Sciences Library.

AUDIOCASSETTES AVAILABLE FROM MIDDLETON LIBRARY
FOR CIRCULATION TO THE STATE

NEUROLOGY REVIEW

AC DYSTONIA: COMMENTS TO QUESTIONS ON THE
980 TREATMENT OF TUMORS -- SURGERY VS. RADIATION:
81(1) EEG IN COMA AND NEUROVEGETATIVE STATES.
1 audiocassette. 60 min. (Neurology Re-
view, August. 1981)

FAMILY PRACTICE

AC PSYCHIATRIC PROBLEMS.
992 audiocassette. 60 min. handout. Audio-
29(33) Digest Foundation. 1981. (Audio-Digest.
Family Practice. v.29, no.33)

AC PRACTICAL DERMATOLOGY.
992 audiocassette. 60 min. handout. Audio-
29(34) Digest Foundation. 1981. (Audio-Digest.
Family Practice. v.29, no.34)

AC THE DIZZY PATIENT.
992 audiocassette. 60 min. handout. Audio-
29(35) Digest Foundation. 1981. (Audio-Digest.
Family Practice. v.29, no.35)

AC THE ACHING BACK.
992 audiocassette. 60 min. handout. Audio-
29(36) Digest Foundation. 1981. (Audio-Digest.
Family Practice. v.29, no.36)

INTERNAL MEDICINE

AC CLINICAL ENDOCRINOLOGY
995 audiocassette. 60 min. handout. Audio-
28(18) Digest Foundation. 1981. (Audio-Digest.
Internal Medicine. v.28, no.18)

OBSTETRICS AND GYNECOLOGY

AC CLINICAL ONCOLOGY: Highlights from the
996 Annual Clinical Meeting of the American
28(17) College of Obstetricians and Gynecologist,
Las Vegas, April 25-30, 1981. Richard H.
Nalick, guest editor. audiocassette. 60
min. handout. Audio-Digest Foundation.
1981. (Audio-Digest. Obstetrics and
Gynecology. v.28, no.17)

AC CONTRACEPTION UPDATE.
996 Daniel R. Mishell, guest lecturer.
28(18) audiocassette. 60 min. handout. Audio-
Digest Foundation. 1981. (Audio-Digest.
Obstetrics and Gynecology. v.28, no.18)

PEDIATRICS

AC SPORTS MEDICINE.
991 audiocassette. 60 min. handout. Audio-
27(17) Digest Foundation. 1981. (Audio-Digest.
Pediatrics. v.27, no.17)

AC INFECTIOUS DISEASE.
991 audiocassette. 60 min. handout. Audio-
27(18) Digest Foundation. 1981. (Audio-Digest.
Pediatrics. v.27, no.18)

PSYCHIATRY

AC NEW GENERATION ANTIDEPRESSANTS.
989 John P. Feighner, guest lecturer. audio-
10(17) cassette. 60 min. handout. Audio-Digest
Foundation. 1981. (Audio-Digest.
Psychiatry. v.10, no.17)

AC RELAPSE IN SCHIZOPHRENIA.
989 audiocassette. 60 min. handout. Audio-
10(18) Digest Foundation. 1981. (Audio-Digest.
Psychiatry. v.10, no.18)

SURGERY

AC TOPIC IN ONCOLOGY.
990 audiocassette. 60 min. handout. Audio-
28(17) Digest Foundation. 1981. (Audio-Digest.
Surgery. v.28, no.17)

AC POSTOPERATIVE INFECTION.
990 audiocassette. 60 min. handout. Audio-
28(18) Digest Foundation. 1981. (Audio-Digest.
Surgery. v.28, no.18)

The UW-Extension Dept. of Nursing has given the Middleton Library AV Unit several videotapes concerning the Statewide Study of Nursing and Nursing Education. VC 740 is the call number for the 60-min. tape on which the Study's project director and associate project director discuss some of the final recommendations which resulted.

VC 741/1-3 comprises three videocassettes, two and a half hours, and is entitled AN INFORMATIONAL MEETING ON THE STATEWIDE STUDY OF NURSING AND NURSING EDUCATION. This was the final informational meeting, held in Milwaukee on March 25, 1981. The discussion panel consists of a nurse educator, a member of the Nursing Competency Task Force, a member of the Study Committee, and an LPN.

VC 742 is a 20-min. videotape on which John Morris, the chairman of the Study Committee, explains how the study was planned and carried out.

These videocassettes are available for one-week loan.
