

WISCONSIN HEALTH SCIENCE LIBRARY ASSOCIATION NEWSLETTER

JUNE-JULY 1982

NO. 139

COMING EVENTS

- July 12-13 MHSLN Assembly Meeting. Chicago
- October 7-9 Midwest Chapter/MLA. Pfister Hotel. Milwaukee
- October 11 Initial session ETN course. A51 Basic Management for Health Sciences Librarian.

ETN COURSES FOR THE FALL

A51 Basic Management

Are you new to the health sciences library field? Have you been asked to assume responsibility for your hospital library and have had no previous experience in library management? Have you been away from the library field for some time and need a basic refresher course? If you have answered yes to any of these questions than a decision to enroll in the ETN A51 Basic Management for Health Sciences Librarians is compatible with the many people who have had library training/updates needs met through this course. A51 will be offered this fall beginning October 11 and continued for 12 sessions every other Monday morning. Full course and registration information can be found on a separate sheet in this Newsletter. Twenty people must register for the course for it to be offered.

Seminars for Health Sciences Librarians

The Seminars will again be part of our Fall continuing education program. The first session will be held Wednesday, November 3 at 10:00. Programming will continue on the first Wednesday of January, March and May. This first session will focus on unique health sciences libraries and information centers in the state. Registration information will be in the August-September Newsletter.

ANNE TAYLOR NEW WHSLA PRESIDENT

Anne Taylor, Chief of Library Services at the VA Hospital, Madison, is the new President of WHSLA. Anne has been the Librarian at the VA for the past 23 years. She has been active in state and regional activities of health sciences libraries, serving as co-chair of the 1978 MRG/MLA meeting in Madison. Deb Gilles Nordgren of Howard Young Medical Center, Woodruff, served as president for the 1981-82 year.

WHSLA ANNUAL MEETING

Seventy-four people met at the Concourse Hotel in Madison for WHSLA's Annual Meeting on May 20-21. It was a full two days with continuing education courses Thursday on budgeting, clinical medical librarianship, and resources for health services

administration. Demco Corporation provided the food for an enjoyable social hour enhanced by Bob Auerbach's piano playing.

Keynote speakers Alma Baron and Darlene Weingand filled Friday morning with many important thoughts about management in current economic times. The WHSLA business meeting was held at the lunch hour, followed in the afternoon by three concurrent sessions on annual report writing, marketing, and business writing.

Nancy McGill of the Institute for Health Planning Library and Pat Craven of St. Marys Hospital, Madison served as co-chair of the conference.

STATE COUNCIL

A hardy group of people met at 7:00 a.m., Friday during the Annual Meeting to discuss the business of the State Council (CWHSLN). Important transactions included the election of Virginia Holtz to serve as the health sciences representative to COWL for a one year term. Deb Hall was reelected Chair of the Council.

Guidelines for a state consultants program was approved. These will be published in the next Newsletter along with an application for participation in the state consultants program.

Joy Shong, State Serial Locator Chair reported on the progress of that Committee and indicated the tasks of the Subcommittees. The Committee will meet in the summer to begin to pull together its various responsibilities.

The Council spent some of the meeting providing feedback to Betsy Merriam, representing Carol Diehl of the COLAND Subcommittee on Aids to Medical Libraries. The Council members were asked to indicate what it was they would really like to have in terms of aides and what they realized is feasible in these current times. The four major items named in order of interests was to solidify the state coordinators position, receive assistance for a state serials locator list, support work in automation particularly to the small hospitals, and assistance in providing interlibrary loans. Mary Campfield and Barbara Schmiechen attended the COLAND Subcommittee meeting on June 10 representing the Council.

- Barbara Schmiechen, Secretary

(If you are interested in receiving full minutes of the Council Meeting contact Barbara Schmiechen)

MINUTES OF THE WHSLA ANNUAL MEETING

The Sixth Annual Meeting of the Wisconsin Health Science Library Association was called to order by President Deb Nordgren at 12:05 p.m. on May 21, 1982 at the Concourse Hotel in Madison. Seventy-four people were present.

The minutes of the Fifth Annual Meeting were approved as read.

Daryl Robb read the Treasurer's Report in substitution for the ill Larry Jacobsen. The Association's balance as of September 17, 1981 was \$2,953.36. Since that time additional receipts have been \$853.00, while expenditures have totaled \$742.13. As of May 6, 1982, the Association's balance was \$3,064.23.

Daryl Robb also reported that the current 1982 membership was 112. There were 94 renewals and 18 new members.

Program Committee

Nancy McGill reported that there were 74 paid registrants for the Annual Meeting Program, with registration for 3 instructors being waived, on Friday and 49 CE registrants for Thursday. Nancy estimated a profit of \$1000.00 from the meeting but explained that total expenditures for the meeting were not yet known. Nancy also thanked the members of the Program Committee for their help as well as DEMCO for its donation.

Bylaws Committee

Jean Hawkins distributed recommended changes to the Bylaws. She explained that the original Bylaws were printed and distributed in the fall of 1981. In November, 1981 two recommended Bylaw amendments, providing a due date for ballots and clarifying Board membership, were published in the December Wisconsin Health Science Library Association Newsletter.

Jean asked that only the first of the two proposed amendments be considered. The second amendment will not be considered due to timing problems. Times do not mesh for election and membership due dates.

There was no discussion or questions from the membership on the first amendment and a printed version of the amendment will be distributed to the membership for a mail vote.

The Committee was also contacted about out-of-state membership: the Committee felt that there was no need to restrict membership to Wisconsin residents only.

Continuing Education

Peg Allen described the results of the mail survey of WHSLA members concerning continuing education needs. She described also a group process assessment of continuing education needs, conducted by Barbara Schmiechen, that has been tested in two consortia. The Executive Board approved the conduction of the same assessment of needs for the remaining 4 consortia. Middleton Health Sciences Library will pick up the travel costs for the Coordinator.

Peg also requested membership input about two suggestions of the C.E. Committee. She asked for a show of hands of those members interested in forming an online searchers group using the Educational Telephone Network as a mechanism for communication. She asked for volunteers willing to organize the group and requested that these volunteers contact her to make certain she has their names. The C.E. Committee has also suggested the production of an annual publication to be issued as a separate monograph and to be distributed only to WHSLA members. Anticipated cost to the Association is \$50.00. This publication would consist of articles by WHSLA members for WHSLA members and would provide members with an opportunity to publish articles about special services or activities. Peg asked for some volunteer editors to further develop this concept. Alana Ziaya volunteered herself and Al Zimmerman to work with Barbara Schmiechen as editors.

In response to a question about why there was need to restrict the distribution of this annual publication to WHSLA members only, Peg explained that to include non-members on the WHSLA newsletter mailing list would increase cost to \$150.00 and that this publication could be viewed as a special WHSLA benefit.

Ad Hoc Guidelines Committee

Debbie Hall described the committee's task of developing organizational guidelines, defining what committees do, and developing a calendar of who does what when. Deb Nordgren recommended that the activities of this committee be incorporated into the Bylaws Committee.

Legislation Committee

Kay Cimpl displayed the new Wisconsin legislative brochure, developed by the Committee to help members identify individuals who might assist in library legislation. She described the articles in the WHSLA Newsletter about legislation and state library planning written by Committee members, and suggested that all WHSLA members write to their legislators about library issues.

Membership Committee

Daryl Robb discussed the membership roster published in the fall by WHSLA and explained that the Committee continues to work on both a membership brochure and its recruitment efforts.

Ad Hoc Committee on Planning and Development

Kay Cimpl reported that about one-third of the membership returned the Committee's survey. Results will be tabulated and recommendations will be made in the fall.

Election Committee

Mary Blackwelder reported that 135 ballots were mailed out with 97 being returned. The April Newsletter announced the results of the vote: Peg Allen was introduced as President-Elect.

The newly-elected or re-elected area representatives for each health planning area were announced:

Northern Wisconsin--Peg Allen
Western Central Wisconsin--Eileen Emberson
Western Wisconsin--Bill Neilson
Fox River Valley--Sharon Hoepfer
Southeastern Wisconsin--Harvada Oitzinger
South Central Wisconsin--Diana Slater

New Business

Deb Nordgren announced that WHSLA is now legally incorporated. Papers are being filed to make WHSLA a tax-exempt organization as well.

She explained that WHSLA will need to begin to look at how its money is being spent and what funds we are taking in.

The April WHSLA Newsletter reported on a request to include DLS on the WHSLA Executive Board mailing list. The Board has recommended an informal liaison with DLS, and consequently there need not be a change in bylaws to change Board membership.

Dona Bowman felt that the DLS representative should be a dues-paying member and should attend meetings. Barbara Schmiechen explained the Board's rationale for its decision: that DLS simply needs to be kept informed about WHSLA activities.

Deb Nordgren talked about Barbara Schmiechen's report about WHSLA costs for its partial funding of the Newsletter. She explained that, due to increasing costs, the Executive Committee approved the reduction of the number of Newsletter issues to 10 per year. (Two issues will be bi-monthly issues: June-July and August-September).

Deb Nordgren read a farewell letter from Bessie Stein. The Board has voted to send Bessie a letter of commendation and provide her with an honorary lifetime membership in WHSLA.

Deb Nordgren reported that Xenia Kenyon and Laverne Samb have verbally invited the Association to have its next Annual Meeting in LaCrosse. Deb pointed out how appropriate this will be: this will be WHSLA's five-year birthday. (Its bylaws were first approved in LaCrosse five years ago.)

The meeting was adjourned at 12:50 p.m.

Respectfully submitted,

Diana Slater
Secretary

WHSLA EXECUTIVE COMMITTEE

The meeting of the Executive Board was called to order at 7:02 p.m. on Thursday, May 20, 1982 at the Concourse Hotel, Madison.

Board members present were Deb Nordgren, Barbara Schmiechen, Margaret Allen, Anne Taylor, Sharon Hoepfer, Xenia Kenyon (for Bill Nielson), Diana Slater, Harvada Oitzinger, Deb Hall, and Susan Anderson. Committee chair people and members that were present were Nancy McGill, Pat Craven, Carolyn Barloga, Joy Shong, Betsy Merriam, Kay Cimpl, Jean Hawkins, and Al Zimmerman.

The minutes of the previous meeting were approved as mailed.

The treasurer's report was accepted as submitted. The balance of the Association's treasury as of May 6, 1982 was \$3,064.23.

Deb Nordgren expressed thanks to DEMCO for its donation to the Annual Meeting. Its donation was used to pay for the hors d'oeuvres at the cocktail party after the Thursday C.E. courses.

Committee Reports:
Bylaws

Jean Hawkins responded to a request made by the Elections Committee. The current bylaws recommend that the W.H.S.L.A. annual election be held by mid-February. Annual dues must be paid by March. Consequently, it is possible to have non-members voting for and possibly electing officers. Jean recommended that any committee that runs into difficulties such as these with the Bylaws bring the problems to the Bylaws Committee. As a result of the above problem and possible others having to do with dates, Jean recommended that the second Bylaws amendment that the Board would need to approve prior to submission to the total membership be either dropped or postponed until the date problems are worked out. It read "Results shall be reported to the President within ten days after ballot due date, which shall be 30 days before the annual meeting."

Joy Shong suggested that annual membership dues be due at the Annual Meeting or by that date. It was decided that the second amendment will need to be tabled at the Annual Meeting, and, when deadlines and times are straightened out, be submitted in a revised form to the membership through a mail ballot.

Deb Nordgren also requested that the Bylaws Committee suggest how to fill incomplete terms of Members-At-Large. (Later examination of the Bylaws indicated that the Bylaws already deal with the problem.) She recently had to use Presidential discretion in filling a vacancy.

Continuing Education

Peg Allen, chair of the committee, requested that the three recommendations of the committee be brought to the attention of the members at the Annual Business Meeting. Peggy discussed the continuing education needs assessment survey being conducted by Barb Schmiechen. It can be used to determine c.e. needs of a consortium or an entire state, and the results can also be submitted to the Medical Library Association. Barb has already done the survey at recent Western Wisconsin and Northern Wisconsin consortia meetings. She recommended that, since Middleton Library is willing to fund Barb's time and travel, the remaining consortia also undertake the continuing education needs assessment survey.

Two other recommendations of the committee were (1) to assess interest in the formation of an online searchers' group and (2) to determine interest in an annual publication, to be separate from the newsletter, in which WHSLA members would publish articles of interest. The online searchers group might use the alternate years in which Basic Library Management for Health Science Libraries course is not taught over the Educational Telephone Network and use this ETN time slot to discuss on-line search problems. The WHSLA monograph project would need a cost estimate, a publications committee and an editor.

Joy Shong recommended that, in addition to soliciting reaction from members at the Annual Meeting, further information about the proposed activities be put into the WHSLA Newsletter.

Guidelines Committee

Deb Hall reported that Guidelines were done. It was moved by Deb Nordgren, and seconded by Joy Shong, that the Bylaws Committee become the Bylaws and Guidelines Committee. Jean Hawkins felt that, if this were to be the case, the Bylaws Committee should be increased in size and initially should have an official liaison with the authors of the Guidelines.

The Bylaws Committee will recommend that the guidelines maintenance and revision function be delegated to the standing Bylaws Committee upon acceptance of the final guidelines document. The name of the committee would then be changed to the Bylaws and Guidelines Committee, and a request would be made that the size of the Committee be increased.

Legislation Committee

Kay Cimpl, Committee Chair, described the new brochure adapted by the committee to make Wisconsin health science librarians aware of those political contacts in Wisconsin that influence health science library funding and services. The brochure will be available Friday at the registration desk.

Membership Committee

As of May 6, 1982, WHSLA had a total membership of 112 with 94 renewals from the previous year and 18 new members.

The question brought to light by the Elections Committee about non-members acting as members due to a problem with date of expiration was also discussed. In addition, there was doubt expressed about the accuracy of the secretary's mailing list due to some members moving and not providing forwarding addresses.

A new membership brochure is to be forthcoming shortly.

Planning and Development Committee

Kay Cimpl distributed the planning survey results and indicated that recommendations about the survey and its results will be forthcoming shortly.

Program Committee

Nancy McGill announced that there were 74 registrants plus three registrations waived for the 1982 Annual Meeting. For the continuing education courses, there were 14 registrants for Basic Budgeting for Health Science Librarians, 18 registrants for Clinical Librarianship and 17 registrants for Health Services Administration, the half-day course.

Nancy made two recommendations. One is that there needs to be a policy concerning cancellations, and secondly that it may be necessary to plan two years in advance for future meeting sites. It was only be chance that the Concourse Hotel was available this year.

It was also announced that Western Wisconsin will host next year's meeting in LaCrosse.

Nominating/Elections Committee

Peg Allen is now President-Elect of WHSLA. Deb Nordgren verbally suggested, as she did in her written report, that biographies would help in electing officers.

Old Business

(1) Incorporation

WHSLA is formally incorporated. The Association has formally applied for tax-exempt status. Larry Jacobsen was praised for his work with the tax-exempt status application forms.

(2) Representation from Division of Library Service

In response to a request by Betsy Merriam that WHSLA have formal representation of the Wisconsin Division of Library Services on the Executive Committee, discussion arose about whether or not this person should be a voting or non-voting member. Betsy indicated that that was irrelevant to DLS, but what was relevant was that a representative of DLS be informed of the activities and interest of WHSLA. Deb Hall was concerned about the lack of Bylaws to deal with non-voting members of the Executive Board.

After some discussion it was decided that the best option open to both DLS and WHSLA might be to place a DLS representative's name on the official Board mailing list and that that person be invited to attend Board meetings. It was hoped that this would set a precedent for providing liaison of WHSLA with other agencies or associations and their attendance at WHSLA Board meetings.

Jean Hawkins recommended that this non-voting attendance at the WHSLA Executive Board by other agency or association liaisons not be included in the Bylaws. She did recommend that this type of attendance be at the invitation and discretion of the Executive Board and, if this does not work, then the system can be dropped.

The motion that the Wisconsin Division of Library Services be included on the Board mailing list and that a representative from DLS be invited to attend Board meetings was made, seconded and approved.

(3) WHSLA Logo and Stationery

Barbara Schmiechen highly praised Larry Jacobsen for his work on the development and production of the new WHSLA logo and stationery. Barbara is currently housing the new WHSLA stationery and envelopes in her office, and a supply of them is available to anyone who may need it.

New Business

(1) Budget

Deb Nordgren discussed very briefly the 1982 WHSLA budget that she had distributed earlier. She pointed out that disbursements were \$866.48, while income from dues, the association's regular source of income, was \$575.00. Annual meetings have been making a profit for the association, and for this reason WHSLA is currently quite solvent. However, she did want to alert the Board to the current budget status, so that in the future the Board may need to watch carefully to ensure healthy budgets.

(2) WHSLA Newsletter

Barbara Schmiechen discussed the WHSLA Newsletter report which indicated a rise in production costs for the Newsletter from the 1981 price of \$361.00 to \$645.24 for 1982. Printing and mailing rates have increased. She felt somewhat uncomfortable about personnel costs but felt also that in previous years these costs have been under-estimated. She proposed two alternative plans to the Board for next year: one was publication of twelve issues of the WHSLA Newsletter at a cost of \$645.24 or the publication of 10 issues, with a combined June and July issue and a combined August and September issue, at a cost of \$500.00.

After some discussion about WHSLA's ability to absorb these increased costs, the proposal to accept a ten issue per year WHSLA Newsletter was moved, seconded and approved.

Barbara Schmiechen will write a contract, stipulating frequency of issue, costs and re-evaluation of the agreement after one year to be signed by both the Middleton Health Sciences Library and the WHSLA President.

(3) State Health Science Library Association Directory

Deb Nordgren read a letter to the Executive Board from Bessie Stein. She suggested that WHSLA be responsible for publishing and update. Bessie originally published a first edition under WHSLA's name and is currently working on a second edition.

Since few Board members had ever seen the first edition of the directory, Deb circulated her copy to the members for examination.

Deb Nordgren suggested referring the project to Anne Taylor, the new WHSLA President, as a future project.

(4) Retirement of Bessie Stein

Deb Nordgren read a farewell letter to the Association from Bessie Stein, former Director of the Todd Wehr Library at the Medical College of Wisconsin. Discussion then arose about what WHSLA should do to commemorate her retirement. It was suggested that a letter of commendation be devised as well as a provision of lifetime membership in WHSLA. Some concern was expressed that WHSLA would be setting precedent if it gave a gift as an association. It was decided that a letter of commendation and WHSLA lifetime membership would be most appropriate.

(5) Refunds for Annual Meetings

Deb Nordgren brought up the current policy about refunds for the Annual Meeting: all costs are refunded except meals. Due to problems arising at the 1982 Madison Annual Meeting, Deb requested that the current Program Committee make recommendations at the next Board meeting on how to deal with cancellations and refund requests.

(6) MLA News Request Concerning State Health Science Library Associations

Barbara Schmiechen mentioned a request in MLA News about information concerning state health science library associations. She will respond for WHSLA.

(7) Announcements

Joy Shong thanked Deb Nordgren for being such an excellent president for the past year.

The meeting was adjourned at 8:10 p.m.

Respectfully submitted,

Diana Slater
Secretary

NEW CONSORTIUM COORDINATORS

Fox River Valley
Mary Campfield
Winnebago Mental Health Institute
Box H
Winnebago, WI 54985

Southeastern (SWHSL)

Joan Yanicke
St. Michael's Hospital
2400 Villard Avenue
Milwaukee, WI 53210

Mary replaces Mary Hein of Northeast Technical Institute and Joan succeeds Carolyn Barloga of St. Francis Hospital. A welcome to Joan and Mary and a special thank you to Mary Hein and Carolyn for their active participation this past year.

PEOPLE

Word has been received from Shelly Jordan, former Librarian at Bellin Memorial Hospital, Green Bay that she is now the Medical Librarian at the VA Hospital, Oklahoma City, Oklahoma.

Arthur Hafner, former Director of the Library at the University of Minnesota-Duluth Medical School has been named Director of Library and Archival Services with the American Medical Association. Dr. Hafner has authored the MHSLN publication Descriptive Statistics for Librarians.

Mary Campfield is now a true politician. She has been elected to the Winnebago County Board of Supervisors.

BOOK BUYERS INTELLIGENCE

We have been made aware through both our own mailings and comments from other librarians that a group out of Marian, Illinois sometimes called Medical Newsletter and Update Service, Inc., and, also Hospital and Physician Consulting Service, Inc. is promoting the sale of both newsletters and policies and procedures for medical libraries and other departments of the hospital. Evaluate it carefully before any decisions are made about purchase.

- Barbara Schmiechen
State Coordinator

AD HOC PLANNING AND DEVELOPMENT COMMITTEE

The 1982 planning survey was sent out in the May Newsletter. Forty-three persons returned the survey. The Committee is in the process of submitting its final recommendations to the new WHSLA President, Anne Taylor.

CONTINUING EDUCATION NEWS

As indicated in the WHSLA minutes, volunteers were invited to activate two recommendations concerning continuing education activities in the state.

Alana Ziaya, Marshfield Clinic/St. Joseph's Hospital Medical Library, will serve as the Editor of the newly proposed annual WHSLA Monograph Series. She will solicit contributions through this Newsletter.

Mary Blackwelder-MCW, Jacqueline Glick - MCW, Vicki Schluge-Madison General School of Nursing Library, and Margaret Warpinski-St. Vincent's-Green Bay will comprise the Online Searchers Committee. This committee will work with Coordinator Barbara Schmiechen in studying the feasibility of using ETN for Online Searchers sessions. Jackie Glick will serve as Chair of this committee.

WISCONSIN MEDLINE CENTERS

In preparation for possible future use of SERLINE, NLM was requested to send us the codes for Wisconsin libraries. You will find a list in this issue of the Newsletter. This request was submitted in February, so if you have become a center since that time you may not be included. This listing is independent of the information solicited in last months Newsletter. Save the list for future reference.

MLA CERTIFICATION

The 1982 certification examination will be given on November 5, 1982. The deadline for receipt of application is September 3, 1982. In order to be eligible to be certified by MLA a person must -

1. Graduate from an American Library Association accredited library school program.
and
2. Receive a passing grade on the examination assessing entry-level competencies required by health science librarians, administered by the Association.
and
3. Complete two years of post-library degree experience in a health sciences library at the professional level within the previous ten years or the equivalent.

For more information, write the Division of Education, Medical Library Association, 919 N. Michigan Avenue, Suite 3208, Chicago, Illinois 60611 or call 312-266-2456.

LIBRARY SETTLES COPYRIGHT INFRINGEMENT CASE

American Cyanamid Company Library Settles Copyright Infringement Case

Nine publishers jointly sued the American Cyanamid Company Library for infringement of copyright. Among other things, the company was charged with multiple photocopying for internal use. The journals which allegedly were illegally photocopied were: Clinical Obstetrics and Gynecology, Journal of Toxicology and Environmental Health, Annals of Surgery, Transfusion, Archives of Environmental Contamination & Toxicology, Current Microbiology, Biopolymers, Biotechnology and Bioengineering, International Journal of Quantum Chemistry, Journal of the American Society for Information Science,

Journal of Biomedical Materials Research, Disease-A-Month. The case was settled out of court with one of the terms being an agreement that the settlement terms be kept secret.

EDITORS NOTES

1. I would like to make the MEDLINE Centers information for Wisconsin 100%. If you have a computer terminal in your library and have not turned in your information, there is a repeat of the questionnaire published in the May Newsletter. Fill it out today.

2. You will be receiving ten issues of the Newsletter in 1982. The WHSLA Board voted to assist in publishing ten issues because of rising prices. That contract is evaluated yearly so this may not be permanent situation. The August-September issue will be published August 13. News must be submitted by August 11. Publishing will be back on schedule in October.

3. I will be on vacation from July 2 - July 19. If you have any questions or problems address them to the Reference Desk at Middleton, 262-2376.

- Barbara Schmiechen
Editor

This Newsletter is published for the Wisconsin Health Sciences Libraries at Middleton Health Sciences Library, 1305 Linden Dr., Madison, WI 53706. It is supported in part by the Wisconsin Health Sciences Library Association.

---COURSE ANNOUNCEMENT---

A51 BASIC LIBRARY MANAGEMENT FOR HEALTH SCIENCE LIBRARIANS (7.0 CEUs)

DATES: Mondays, Oct 11, 25; Nov. 8, 22; Dec 6, 1982
Jan 17, 31; Feb 14, 28; Mar 14, 28; Apr 11, 1983

TIME: 10:00 - 11:50 a.m.

FEE: \$82.00 plus \$28.00 for text and handling Enrollment limited

Health Science librarians in hospitals, clinics, nursing schools and health centers, here's a course offering designed specifically for you. This ETN course provides information and know-how to all who are responsible for library service in medical settings. The Wisconsin Health Sciences Library Network fully supports and recommends this course.

The instructor will give short presentations, followed by discussions, questions and answers. Written assignments, mailed to the instructor, will be evaluated and returned to the student. Each student will be responsible for a final project.

Topics to be included in this course are:

- Information Center--Role of the Health Science Library
- Administration of the Health Science Library
- Maintenance and Control of the Collection
- Book and Serials Selection--Building the Library Collection
- Acquisition of Library Materials
- Catalog Cards and Descriptive Cataloging
- Subject Cataloging and the Subject Authority File
- Classification and Call Numbers
- Reference Services--Ready Reference
- Reference Services--Literature Indexes
- Cooperative Library Services and Programs
- The Midwest Health Science Library Network
- Audiovisual Services

The Instructor is Barbara Schmiechen, Coordinator for Health Science Librarians in Wisconsin; Reference Staff at Middleton Health Science Library, University of Wisconsin-Madison.

(Please check your local hospital as to whether this program is available there. It should be noted that this ETN course is not part of the annual fee program of the hospitals)

(See form on backside)

Registration Form for ETN Course A51--BASIC LIBRARY MANAGEMENT FOR HEALTH SCIENCE LIBRARIANS

Complete and send this registration form and enrollment fee to: Madison Registration Office (ETN), Room 101 Extension Building, 432 North Lake Street, Madison, WI 53706.

Enrollment fee \$82 plus \$28 for text made payable to: UW-Extension

995 audiocassette. 60 min. handout. Audio-
29(10) Digest Foundation. 1982. (Audio-Digest.
Internal Medicine. v.29, no.10)

COMMUNICATIVE DISORDERS

With the first issue of volume 7 of the audio-
cassette series COMMUNICATIVE DISORDERS, the
issues in this series will no longer be published
in audiocassette form, but rather as a printed
journal. The Audiovisual Unit will retain, however,
all of the audiocassette issues in volumes 1-6.

JOURNAL FORMAT

Any listing of journals for the Journal Exchange should be typed on
8 1/2" X 11" white paper using 1/2 inch margins. The columns should be typed
no wider than 3 inches. This allows for cutting, pasting, reduction and
paper savings.

NEW!

SAMPLE FORMAT 8 1/2" x 11" white paper
Two Columns

1/2 inch margin
Consultant
V.8:6,8,11,12,1976, V. 9:1,4-8,
