## COLLECTION DEVELOPMENT FUNDS

1984  
Nine applications from Wisconsin for Regional Collection Development Funds were forwarded to the GMRMLN Management Office. These applications will be considered by the Region 3 Committee in allocating the \$25,000.00 for the 10 state region through the NLM Contract. Deborah Hall of Mt. Sinai, Milwaukee served as grant evaluator in place of Eileen Emberson who resigned from the Committee. Debra Nordgren and Barbara Schmiechen were also evaluators.

1983  
The 1983 Funds for Wisconsin amounted to \$2,500.00. These funds were directed to the Resource Libraries where journal titles and back volumes of high request journals were purchased. Most of these journals were in the area of health services administration. The following list indicates the Wisconsin use of the 1983 funds.

~Copies of Basic Library Management for Health Sciences Librarians, for each member of the Consultants Registry.

~Copies of the GMRMLN Serials List for each consortium.

## INVITATION

Dan Eckert of Holy Family Hospital, Manitowoc sends librarians the following invitation-

"As President of the Manitowoc-Calumet Multitype Library Association I would like to invite anyone who may have missed Denise Boucher or Bob Bocher at the WHSLA Annual Meeting to our next organizational meeting at Silver Lake College, October 9th. Both Denise and Bob will be on the program, Denise demonstrating Book Trak and Bob speaking about the State Data Bases and his work with Silver Lake College. The program will begin at 3:00 and end about 5:30 PM.

Silver Lake College is located on State Highway 151 just west of Manitowoc. Anybody wanting more information can call me at 1-414-684-2260, or Mrs. Carol Gibson at the Manitowoc Public Library, 1-414-684-6861.

On another matter, you may recall that Eileen Emberson mentioned that Schaak Electronics, Inc. had a special discount plan for the purchasing of computer software and hardware that her hospital utilized out of the Twin Cities. Mr. Rich Welshinger, of Schaaks Professional Services, 2911 N. Mayfair Rd. Wauwatosa, WI 55222 has set up an employee purchase plan for our hospital. Rich has been to our institution and given one demonstration for our employees. We plan to have him back on September 18th for another half day demonstration. If anybody else is interested they can call him at 1-414-475-5125.

CONTINUING EDUCATION REGISTRATION

Forms to register for the MEDLINE Update at Waukesha, ETN A51 Basic Management for Health Sciences Librarians and ETN Health Sciences Online Users are included in this Newsletter. The ETN Seminars registration will be included in the September Newsletter.

SOME OMISSIONS

The writer of last month's letter to the editor was Margaret Wold of Children's Hospital, Milwaukee.

Western Wisconsin's Consortium Coordinator was not listed among the coordinators last month. That person is Sister Louise Therese Lotze of St. Francis Hospital, La Crosse.

EDITOR'S NOTES

1) When sending journal lists for the Newsletter's Journal Exchange please send it directly to me as editor and also include Wisconsin Health Sciences Library Newsletter within the address. Sometimes those lists may inadvertently go directly to the Serials Department and then are not included in the Newsletter.

2) The September Newsletter will be published on September 7. News must be received by September 5.
