

# WISCONSIN HEALTH SCIENCE LIBRARY ASSOCIATION NEWSLETTER

OCTOBER 1984

NO. 165

## COMING EVENTS

- October 17 BRS Introductory Training. Todd Wehr Library. Medical College of Wisconsin. Milwaukee.
- October 18 BRS Update. Same as above.
- October 24 Online Services Update Clinic. Cedar Rapids, IA.
- October 25-27 MC/MLA Annual Fall Meeting. Stouffer's Five Seasons Hotel. Cedar Rapids, IA.
- November 2 MLA Certification Exam.
- November 7 10:00-11:50 ETN Seminars for Health Sciences Librarians. "PPO's, DRG's and other such acronym's." Robert D. Peterson, Institute for Health Planning, Madison.
- November 9 WHSLA Executive Board. St. Marys Hospital. Madison.
- November 15 10:00-11:50 ETN Health Sciences Online Users Group. MEDLINE Update Pat Pinkowski, GMRMLN Management Office.
- November 16 MEDLINE Update. Waukesha Memorial Hospital. Waukesha.

## CWHSLN MEETING HELD SEPTEMBER 14

The fall CWHSLN meeting was held on Friday, September 14 at the Madison General Hospital Nursing Education Library. Representatives from all council units were present.

The morning's discussion centered on the Serials Location project. It was decided to name the list the Wisconsin Biomedical Union List of Serials. The list will be advertised in several newsletters including many non-medical. It was agreed that the money assessed for the state libraries above the Louisville charges would be divided 50% to CWHSLN, 50% to pay back the COWL loan. To maintain the State List, it was decided that all libraries in the list should pay a flat annual rate of \$10.00. The current State Union List of Serials Committees (SULS) will disband after the list is produced. The Council would like to say Thank You to members of the SULS Committee for all of your time and effort in helping to produce this essential tool.

Consortium coordinators will now need to name one person from their consortium to the State Union List of Serials Update Committee. Please submit names to Vicki by January 1, 1985.

Virginia Holtz will serve as the COWL representative until July 1, 1986.

Nine proposals for GMRMLN collection development funds were forwarded to the regional office for consideration. At this point, GMRMLN has not informed the Council of the recipients.

In November, a committee will be looking at software in the public domain for in-service training as possible fund requests for the state in 1985.

GMRMLN is now requesting only March and November consortium ILL statistics. Barb Schmiechen will still receive copies of the ILL statistics for the annual state data.

Other issues discussed were the new consultants registry revisions to CWHSLN guidelines, correspondence between the council and the State Task Force on Library Legislation, low enrollment of the A51 Basic Management course, and ONTYME II-Electronic Mail. It was noted that Todd Wehr Library-MCW uses ONTYME II and that UW-Middleton will also have that service.

The next meeting will be on Friday, April 19 in Steven's Point during the WHSLA Annual Meeting. Full minutes of the fall meeting are available from Barbara Schmiechen.

-Vicki Schluge  
Madison General Nursing Library

## ETN SEMINARS BEGINS

Robert Peterson of the Institute for Health Planning opens the 1984-85 Seminars sessions with a discussion on "PPO's, DRG's and other such acronyms". He will be discussing the current health care setting focusing on the various cost containment programs. Mr. Peterson is also a Clinical Assistant Professor, Preventive Medicine at UW-Madison. Seminars are held the first Wednesday of every other month beginning November 7 at 10:00-11:50.

## JOIN THE ONLINE USERS GROUP

Online users in the health sciences field have an opportunity to enhance their skills through the ETN Health Sciences Online Users sessions. The opening session will be November 15 with Pat Pinkowski, Online Coordinator for GMRMLN. Pat will be conducting an abbreviated MEDLINE update. This will be an excellent opportunity for persons whose travel budgets are limited this year. This year's online series will be emphasizing NLM's MEDLINE in response to the evaluations from the 1983-84 series. The time for this series is 10:00-11:50.

ONTYME II ELECTRONIC MAIL

GMRMLN Management Office is interested in assisting network members to communicate via electronic mail. In July the Executive Committee of the Region encouraged network members to use Ontyme II because network members could send interlibrary loan requests to NLM using Ontyme II. Ontyme II has offered a discount for the 1st year subscription fee. An extension for entry has been granted until October 31 to obtain the minimum of 20 applications which are required to qualify for the discount subscription fee. Please see the latest 3 Sources for full details. Todd Wehr Library, Medical College of Wisconsin has been using Ontyme II for the past year, and Middleton Health Sciences Library UW-Madison will be using it shortly.

CONSULTANTS REGISTRY COMMITTEE CALL

The Council for Wisconsin Health Sciences Library Network is calling for a new committee to assist in updating the current Consultant's Registry and to evaluate new applicants for the Registry. If you are interested in serving on this committee contact Vicki Schluge, Chair of CWHSLN at Madison General Hospital, Library, 1010 Mound St., Madison, WI 53715.

A51 TO BE OFFERED

A last minute rush of registrants for A51 Basic Management for Health Sciences Librarians gave the program enough students for UW-Extension to offer the course. The course began October 8 at 10:00-11:50. If you should receive this Newsletter before the October 22 class and are still interested in participating in the course you may still register. Contact Dena Notes, UW-Extension, Communications Unit (608) 262-4354.

MICROCOMPUTER USERS GROUP IN MILWAUKEE

Midge Wos of St. Luke's Hospital, Milwaukee has been instrumental in establishing a library microcomputer group. Several different micro's will be available for hands on experience. It will be geared to people who already have computers and those who are shopping and looking for justification.

PEOPLE

MARY FAILE is the new librarian at Bethesda Home, Watertown. Bethesda is also creating a fine new library for its institution.

Early retirement has been chosen by JULIE SCHLEIF of Good Samaritan-Deaconess campus. Julie finished at the library there at the end of September.

DEB HALL is now a librarian with Northwestern Mutual Insurance in Milwaukee. She leaves Mount Sinai Hospital Medical Library and all the fine contributions she has made to both WHSLA and CWHSLN activities. JANICE CURNES assistant/associate librarian at Mt. Sinai has been named the Head Librarian.

MEDLINE SEARCH GUIDE

Online Research Systems has made available a Medline Search Guide. It contains commands and capabilities unfamiliar to many Medline searchers, and includes those strategies unique to Medline. The Guide also list the commands, search techniques, and limiting methods that process most quickly, saving CPU time and overall connect time. It applies these principles to BRS, DIALOG or NLM. This Guide costs \$18.50 plus \$1.50 for mailing and is available from-  
Online Research Systems  
627 W. 113th St. Suite 4F  
New York, NY 10025

MLA PUBLICATIONS

Several MLA publications are now available that may be important for you. They can be ordered from MLA, 919 Michigan Ave., Suite 3208, Chicago, IL 60611.

Hospital Library Management. Edited by Jana Bradley, Associate editors, Ruth Holst and Judith Messerle. 1983, 450 pages, hardcover, \$67.50.

MLA Salary Survey. Compiled by the Status and Economic Interests of Health Science Library Personnel Committee. 1984, (41) pages, paper. MLA Members \$12.00, Non-MLA Members \$18.00.

Minimum Standards for Health Science Libraries in Hospitals. Compiled by the Hospital Library Standards and Practice Committee. 1984, (15) pages, paper, MLA Members \$6.00, Non-MLA Members, \$9.00.
