FROM THE WHSLA PRESIDENT

Registration for the Annual Meeting at Eau Claire is going well, and all the continuing education courses have sufficient registration to ensure that they will take place. It is not too late to register however. Call Ginny Wright if you need more information. This year WHSLA will be 10 years old and we are planning a brief celebration during the business lunch on Friday, April 29.

The agenda for the Spring Board Meeting together with any committee reports I receive will be mailed out April 15. We shall be discussing some changes in the by-laws to allow for flexibility in the appointment of a treasurer. The planning committee has been working on the possibility of merging CWHSLN and WHSLA. The feasibility of compensation for WHSLA officers has also been discussed. Both of these issues will come before the Board. An ad hoc committee is considering the payment of fees to members who are invited to teach a course or workshop or give a presentation at a WHSLA meeting, which is currently not allowed under the by-laws and guidelines.

I am looking forward to seeing you all in Eau Claire.

NEW BERLIN MEMORIAL HOSPITAL CLOSES

On Friday April 8, New Berlin Memorial Hospital, in New Berlin closed its doors. The library stopped answering DOCLINE requests after Thursday, March 31. Because of its strong collection in podiatry and osteopathy it handled a relatively large number of DOCLINE requests. If you sent any requests in those disciplines they may have been routed to that library, for the code had not been deactivated immediately. Also the New Berlin libraries list will still be in the Wisconsin Biomedical List of Serials. Make those changes on your list. June Regis was the New Berlin Hospital Librarian.

-Linda Oddan
Waukesha Memorial Hospital

NEW LIBRARY

Waukesha Memorial has a new library and held an open house on March 17. Linda Oddan is the Librarian.
