

# WISCONSIN HEALTH SCIENCE LIBRARY ASSOCIATION NEWSLETTER

July 1988

No. 204

## COMING EVENTS

- September 15 & 16 Going it alone: Managing the One-Person Library. Two parts. SLA Regional Continuing Education 1988. Chicago. Information for SLA's Professional Development Program (202) 234-4700.
- October 16-19 MC/MLA Annual Meeting. Hilton-on-the-Circle, Indianapolis, IN.

## FROM THE WHSLA PRESIDENT

Presently, I am firming up all the committee appointments for 1988-1989. If you are called please be generous with your time. Committee work is an excellent way to get involved in the organization.

1988-89 should prove to be another busy year for WHSLA. Based on input received at the Spring Board meeting, and recommendations from Jackie, numerous projects will be worked on by the committees. Some of the major activities will include an educational needs assessment conducted by the Online Users Committee; the Planning Committee will continue investigating the possible merger between WHSLA and the Council; and multitype library systems will be monitored by the Legislation Committee. If you have any other issues that the organization should address, please contact me or any of the other Board members (see the May/June WHSLA Newsletter).

-Cynthia Reinl  
WHSLA President  
Bellin Hospital, Green Bay

## MINUTES OF THE APRIL 1987 WHSLA BOARD MEETING

April 27, 1988  
Eau Claire, WI

Present: Patrick Brennen, Joyce Madsen, Midge Wos, Albert Zimmerman, Glynis Asu, Vicki Schluge, Susan Anderson, Cindy Reinl, Joy Shong, Linda Oddan, Jackie Glick, Jan Curnes, Peg Allen, Barbara Schmiechen, Jim Markiewicz, Shirley Gronholm, Robert Koehler, Joanne Muellenbach, Pat Craven, Mary Kotschi, and Carolyn Barloga, Kay Cimpl.

Call to Order: The meeting was called to order by President, Jackie Glick on Wednesday, April 27, 1988 at 5 p.m. at the Civic Center Inn, Eau Claire, WI.

Minutes: The reading of the minutes from the October 15, 1987 WHSLA Executive Committee Meeting was dispensed with. The minutes were approved as printed.

Treasurer's Report: Jan Curnes, treasurer, reported that WHSLA has a balance of \$4527.84 as of April 25, 1988.

### Committee Reports:

#### 1988 Annual Meeting Committee

Peg Allen reported that the statewide committee worked well. She requested that people who worked on the meeting be recognized in the newsletter. Peg also suggested that in the future, Annual Meeting, Continuing Education, and Local Arrangements Committee Chairs receive free registration and meals.

#### 1989 Annual Meeting Committee

Pat Brennen presented a preliminary program for a joint WHSLA-MC/MLA meeting to be held September 17-20, 1989 at the Pfister Hotel, Milwaukee, WI. This will be a Sunday to Tuesday program. The following changes will be made to the preliminary program: on day #3, concurrent sessions at 3:30 will be eliminated and the WHSLA Business Meeting and reception will be moved from 4:30 to 3:00 p.m. Pat solicited suggestions for projected profits for the meeting. The Board consensus was that registration fees should be reduced and meeting profit be reduced as much as possible. Names of committee members and chairs will be listed in the newsletter. Barb Doherty, co-chair of the registration committee, is leaving MCW and a replacement will be sought. Kay Cimpl discussed proposed CE courses. A motion was made by Linda Oddan and seconded by Pat Craven to offer a half day course on Sunday on "one person librarianship" to be taught by Carolyn Barloga and sponsored by WHSLA. Motion was passed unanimously.

#### 1990 Annual Meeting Committee

Robert Koehler announced that the 1990 annual meeting will be held in Madison.

#### Continuing Education Committee

CE courses for the 1988 annual meeting were chosen in response to a membership survey. The TechExpo will be presented by Jo Crawford and Michele Jacques in addition to Barb Schmiechen.

#### Legislation Committee

A report was given by Jackie Glick for Mary Blackwelder. Attention was called to specific recommendations in the written report. Barb Schmiechen reported that the privatization of NTIS is not a dead issue.

#### Membership Committee

Jan Curnes reported that WHSLA has 160 paid members, up 12 from last year. Joy Shong completed computerization on the membership list. A list will be mailed to members in the next few weeks. Jan suggested that the committee write guidelines for updating the list. Present guidelines call for the list to be sent out in January, but she proposed that the list be sent out annually before June 1. Jackie Glick will also maintain a list at MCW. Guidelines will call for new officers to be announced in the newsletter after the Spring meeting. (No written report.)

#### Planning Committee

Cindy Reinl reported on meetings held to discuss the possible merger of WHSLA and CWHSLN. Issues have been identified and future discussions are necessary. Pat Brennen questioned the size of the WHSLA Board. Ten percent of the membership are officers and he feels that this is too high a proportion. The planning committee will address the structure of the Board. Two proposals were made for compensation of WHSLA officers. It was moved by Linda Oddan and seconded by Carolyn Barloga that officers' annual meeting fees be paid and one night's lodging during the annual meeting be paid for the president. The motion was passed unanimously.

#### Nominating Committee

Pat Brennen reported on the slate of candidates.

#### Election Committee

Linda Oddan reported on the results of the election. President-Elect is Vicki Schluge. Area representatives are Karen Henning, Alana Ziaya, Patricia Wilcox, Sharon Wochos, and Kathleen Meyer.

#### Online Users

A motion was made by Mary Kotschi and seconded by Linda Oddan to subsidize ETN registrations \$13.00 per member. The motion passed unanimously. The membership chairman agreed to add spaces to the membership form to gather information used to generate the online consultants list and to incorporate the information into the membership directory listings.

#### By-laws Committee

Susan Anderson presented proposed changes to the by-laws. Linda Oddan moved and Jim Markiewicz seconded a motion to approved the changes. The motion was passed unanimously. A ballot will be sent to each member for approval. The committee also suggested several changes to the guidelines (written copy included). Linda Oddan moved and Al Zimmerman seconded a motion to approve the suggested changes. Motion passed unanimously. Susan Anderson will be resigning from the committee since her family is relocating. A new chair will be needed for the committee.

#### Old Business

##### Newsletter

Barb Schmiechen reported that the next issue will be marked "May" not "April". She also suggested that the planning committee explore alternative editors for the newsletter in the event that she not be able to continue as editor.

##### Honoraria

Robert Koehler reported that he surveyed other state groups regarding policies for honoraria for speakers at annual meetings. Current WHSLA policy states that no honoraria will be given to WHSLA members unless the Annual Meeting Committee wishes to make an exception in which case a maximum of \$50.00 may be given as an honorarium. Pat Brennen opposed the \$50.00 limit and stated that the Annual Meeting Committee should be allowed to decide about compensation for WHSLA members. This issue was referred to the 1989 and 1990 Annual Meeting Committees. Recommendations and proposed guidelines changes should be made at the next Board meeting. A set of guidelines for planning Annual Meetings will also be produced by these committees.

#### New Business

##### Spring Board Meeting

Jackie Glick proposed that Spring Board Meeting be held as a full day event to include a Council meeting, a Board meeting, and a dinner for all members. She also suggested the WHSLA honor a librarian for his/her contribution to WHSLA at the meeting.

##### Budget

Cindy Reinl presented a proposed budget for next year. A motion was made to accept the budget by Jim Markiewicz and seconded by Mary Kotschi. Motion was unanimously passed.

##### President's Report

Jackie Glick thanked the members for a good year.

##### MC/MLA Representative at Large

Pat Craven requested that members give input on MLA strategic plan draft. Jackie Glick requested that Pat let MC/MLA know that members feel that their viewpoints have been ignored in formulating the strategic plan.

##### Announcements

Pat Brennen reminded members that Docline records are open to publishers and copyright violations can be easily monitored.

The meeting was adjourned at 8 p.m. Moved by Al Zimmerman and seconded by Jim Markiewicz.  
-Carolyn Barloga, Secretary

#### MINUTES OF THE 1988 WHSLA ANNUAL MEETING

April 29, 1988  
Eau Claire, WI

Call to Order: The meeting was called to order by President, Jackie Glick, on Friday, April 29, 1987 at the Civic Center Inn, Eau Claire, WI, at 1 p.m.

Minutes: The reading of the minutes for the 1987 Annual Meeting was dispensed with. The minutes were approved as written. Jan Curnes moved to approve the minutes. The motion was seconded by Cindy Reinl and was unanimously passed.

Treasurer's Report: Janice Curnes reported that as of

#### Committee Reports and Board Decisions:

##### 1988 Program Committee

Peg Allen reported that there were a total of ninety five participants at the Annual Meeting.

##### 1989 Program Committee

Patrick Brennen reported that a joint WHSLA-MC/MLA annual meeting will be held September 17-20, 1989 at the Pfister Hotel. Committee chairs have been appointed.

##### 1990 Program Committee

Robert Koehler reported that Madison will host the meeting in 1990.

##### Continuing Education

Glynis Asu reported that responses to a member survey were used to plan CE's for this year's program.

##### Legislative Committee

Jackie Glick reported for Mary Blackwelder. The committee made specific recommendations for improving monitoring of legislative issues.

##### Membership Committee

Jan Curnes reported that WHSLA has 160 paid members. A membership directory is to be mailed soon.

##### Planning Committee

Cindy Reinl summarized activities from the last year. Linda Oddan presented Cindy with a tiara and a scepter, symbols of passage to the WHSLA presidency.

##### Nominating Committee

Patrick Brennen gave a report on nominations.

##### Election Committee

Linda Oddan reported on the results of the elections for June Regis.

##### Online Users

Shirley Gronholm reported on course topics for next year. Topics include: What's New at Medlars, CD ROM, and Medlars on CD ROM.

##### Bylaws

Susan Anderson reported on suggested bylaws changes that were approved by the board. A ballot will be mailed to members.

#### Old Business

##### Newsletter

Barb Schmiechen solicited information from consortium coordinators.

##### Honoraria

Robert Koehler reported on discussions regarding honoraria for WHSLA members.

#### New Business

##### Spring Board Meeting

Jackie Glick proposed that a one day meeting be held in spring 1989 which would include a WHSLA Board Meeting, a Council Meeting, and a dinner for all members.

##### Budget for '88-'89

Cindy Reinl presented a proposed budget.

##### President's Report

Jackie Glick reported on activities of last year and urged members to support MC/MLA position on MLA strategic plan.

##### Announcements

Prices of ILL's from MCW to SMHSL libraries will rise from 2.25 to 2.75. Jackie Glick will speak at MLA Medline Online Users Meeting to express concern and the need for Medline updates. Member consensus was that she do this.

##### Tenth Anniversary Program

A history of WHSLA was presented by Al Zimmerman.  
-Carolyn Barloga, Secretary

**SOUTHEAST WISCONSIN HEALTH SCIENCES LIBRARY CONSORTIUM**

SWHSL members participated in a program entitled "Business Communication Skills for the Health Sciences Librarian" on June 10 at Columbia Hospital, Milwaukee. Sponsored by SWHSL the three hour program consisted of two parts. Business Communication Skills was presented by Brenda Dribin, Manager, Human Resources Development, Columbia Hospital. Part two featured Deb Hall, Administrator, Corporate Information Center at Northwestern Mutual Life Insurance Company (NML), Carolyn Barloga, and Joyce Madsen, both Information Services Associates at NML discussing Business Information Resources. Twenty-five people attended the session and it was approved for 4.8 contact hours by MLA.

-Sharon Wochos, Area Rep  
St. Mary's Hospital, Milwaukee

**GMRMLN REGIONAL ADVISORY COUNCIL**

The Regional Council met June 24, 1988 at the University of Illinois at Chicago, Library of the Health Sciences. This was my first meeting as your state representative. Please read the following as supplement to the information you will receive in the next issue of 3 Sources.

**RML Director's Report - Irwin Pizer**

NLM can now legally advertise their programs, which wasn't possible previously. Watch for TV and paper promotion in the near future. CD-ROM Medline testing is taking place at 17 sites in Illinois, and a CD-ROM

Medline symposium will be held in NLM in September, 1988. The Preservation Project is moving steadily ahead, with microfilming and loaning of materials to NLM taking place. A questionnaire on preservation from the New York Academy of Medicine will be sent out in August, 1988 and it is important to respond. Presently, over 1557 DOCLINE users have requested over 599,388 items, with an average cost of .85 per request. An operational analysis is forthcoming.

**GMRMLN Union List of Serials - Ruby May**

Costs are up, sales are down. A motion was made stating that the GMRMLN database's primary, but not sole intent, is to go into SERHOLD, with the fiche as a byproduct. This motion carried. Another motion was made to form a Committee which would develop criteria for libraries to: 1) participate in GMRMLN's database, and 2) set up a fee structure for participants. The motion carried, and the Committee will announce results by late August, 1988.

**Technology Application Survey - C. Millson-Martula**

There is a growing interest in integrated library systems. The purpose of creating a clearinghouse of integrated library systems currently available in Region 3 is two-fold: 1) to increase the amount of sharing of knowledge and experiences among current users of identical or similar systems. 2) To enable individuals interested in particular systems to contact users of those systems for additional information. Millson-Martula proposed that: 1) The integrated library systems survey be revised to include number of journal and book titles with the results sent through direct mail to all respondents; 2) The integrated library systems clearinghouse database be updated regularly, with advertising and update information as well as a list of brands, published in 3 Sources; 3) An information package be provided, containing introductory articles and basic bibliographies, printouts of the latest update, information on local area networks, and lists of databases; and 4) Consortia/local groups meetings take place for holding debates on the appropriateness of CD-ROM and other new technologies. The motion to accept the committee proposal carried.

**Collection Development - C. Millson-Martula**

A motion carried to spend additional GMRMLN collection development funds to further develop the regional collection in those subjects for which there are fewer than three level 4 collections in the Region or for which no collections have been reported. Only two of the Resource Libraries did not respond to the recent survey.

Millson-Martula also discussed the Serials Commitment Registry which focuses on journal titles held by two or less libraries according to GMRMLN ULS. The purpose of the plan is to maintain resources at their present level in this era of increasing costs, and decreasing subscriptions. A discussion followed on how strong a commitment our libraries could make. Ohio for example, is cutting over \$100,000 worth of titles and would not be able to make that commitment.

**ILL Cost Study - Kim Goldman**

An interlibrary loan cost study conducted by the National Library of Medicine last April, 1988 in Region 3 reported the following return rates: Basic health science libraries - 33%, academic libraries - 25%, and resources libraries - 17%.

DOCLINE use is increasing. Of the 514 libraries in Region 3 eligible, 321 or 70% of the Region are active. This is a 5% increase from June, 1987. In Wisconsin, of 71 libraries eligible, 50 or 70% of the libraries are active.

**Preservation Reference Collection - C. Millson-Martula**

In an effort to provide greater service to the nation's health science libraries, NLM has instructed the seven Regional Medical Libraries to create a core reference collection of materials dealing with the preservation of library materials. Thus, the Management Office has come up with a list of reference materials that are available for interlibrary loan, which focus on such topics as: conservation techniques, disasters and their prevention/security, microforms/microfilming/reprography, and program administration. A copy of this bibliography is available by contacting me or by writing to the GMRMLN Management Office.

**State Council Representatives - Kim Goldman**

The state council representatives met in the afternoon, following the Regional Council meeting. The first issue discussed was the Group Activities Survey. A questionnaire has been sent to two representatives from each state in Region 3 requesting information on topics such as: governing structure, by-laws, fees, programs developed, and serials lists.

There was also discussion on DOCLINE and updating procedure. Updating or rearrangement of the DOCLINE cells can be done at any time by requesting an update form from the GMRMLN Office. Expansion of the cells is likely to occur within a year, and it is hoped that a new DOCLINE Manual will be available within this time frame as well.

If you would like more information on any of these topics or have information to contribute, please contact me, your resource library director, or the GMRMLN Management Office.

-Joanne Muellenbach  
Wisconsin Representative

**MC/MLA NEWS**

Over the past two years the election of and the role of the MC/MLA Representative-At-Large has been investigated. The Ad Hoc Committee reviewed the current role and discussed the current election procedure and alternative selection procedures suggested over the past few years. It as well recommended several possible actions for the improvement of the representatives' role and selection. What follows are the recommendations of this committee as stated in its March 1, 1988 report to the MC/MLA Executive Board.

Recommendations--As noted above, the Ad Hoc Committee recommends that the current method for electing Representatives-at-Large be continued until such a time as another just and equitable method of selection, as yet unidentified, can be designed that will better meet the needs of our diverse Chapter.

The Committee encourages the Nominating Committee, the Executive Board, and the Officers of the Chapter in their continuing efforts to identify any unrepresented group of members and to actively solicit their input via the existing network of Representatives-at-Large or otherwise.

The following are recommendations for improving the role of Representatives-at-Large within the Chapter:

To have the President or the Nominating Committee, or both, emphasize to prospective nominees for Representative-at-Large that a Representative has an active voice in Executive Board deliberations, as well as an active role in communicating between the Chapter and its members, and that the Representative's experience, opinions, and ideas are needed by the Board and the Chapter.

To encourage newly-elected Representatives-at-Large to attend the Fall Executive Board meeting, if possible, to begin familiarizing themselves with MC/MLA Executive Board operation and activities.

To provide the newly-elected Representative-at-Large with a more experienced "buddy" Representative of other Board member (currently in office or just leaving office) to consult as needed.

To hold a meeting (perhaps an hour in length) of newly elected and returning Representatives-at-Large, prior to the Spring Executive Board Meeting, to share information on what is the role of the Representative-at-Large and to provide opportunities for newly elected representatives to talk informally with their more experienced colleagues. Such a meeting might include brief talks on topics, such as "How to cope in a geographically-dispersed area (state)," "How to write effective new announcements and other publicity," or "Image enhancement: How can you sell MC/MLA?" with appropriate handouts.

To annually prepare a list of the organizations that health science librarians can and do belong to within each state in the Chapter, giving a brief description of the organization and its affiliations, and the name, address, and the telephone number of the presiding officer and the newsletter editor, if any. Gathering this information should provide valuable contacts for the representatives and valuable information for both nominating committee work and any public relations efforts of the Chapter.

To formalize the practice, begun by recent Chapter presidents, of providing new Representatives-at-Large with a written description of their official duties and to publicize this "job description" to the general membership. To supplement the "job description" with a list of possible methods by which those duties could be accomplished (See initial list under Current Role).

It is also recommended that the next time the Chapter bylaws are being revised that consideration be given to enhancing the description of the duties of the Representatives-at-Large to include those listed in the publicized "job description" as indicated above.

-Pat Craven  
MC/MLA Representative-at-Large  
St. Marys Hospital, Madison

#### PEOPLE

JANE KOENIG has joined the Library Staff at Columbia Hospital. She succeeds Susan Anderson who is moving to Massachusetts. Jane is a recent graduate of UW-Madison School of Library and Information Science.

This July, JOSEPH HERRO, library assistant at Meritor-Madison General Hospital Library graduated from the UW-Madison School of Library and Information Studies.

#### WOMEN'S HEALTH UPDATE

Since the May 4 ETN on Women's Health, three additional resources have come to my attention that would assist librarians in development of women's health collections.

1. "The Women's Health Movement: An Information Based Phenomenon." Trudy K. Landwirth. The Serials Librarian 1987; 12 (314):89-105.

This article briefly outlines the history and current trends of the women's health movement and provides an annotated bibliography of 37 women's health periodicals.

2. Women's Health Nursing Scan. Bi-monthly. Lippincott. Volume 1, 1987. (institutional subscription \$42; individual \$28) Call toll-free 1-800-638-3030 for special introductory offer.

With primary editorial responsibility centered at the University of Illinois at Chicago, this periodical provides abstracts of articles on women's health selected from 80+ professional journals in the field of nursing, medicine, and sociology.

3. "Women's Health." Healthnet: Connecticut Consumer Health Information Network. June, 1987.

Available for \$1.00 from Healthnet, University of Connecticut Health Center, Farmington, CT 06032 (203/679-4055), this nine page annotated bibliography includes books and a few journal articles and audiovisuals related to women's health. Materials on pregnancy and childbirth have been omitted and will be compiled in the future as a separate bibliography.

-Ruth Holst  
Columbia Hospital, Milwaukee

#### 1989 MC/MLA MEETING IN MILWAUKEE

The following committees have been established to prepare for the 1989 meeting to be held in Milwaukee, September 17-21 at the Pfister Hotel and Towers.

Patrick Brennen, Conference Chair

Registration Committee

Anna Green Chair  
Shirley Chan  
Sunja Shaikh  
Vicki Schluge  
Sharon Wochos  
Pat Malmberg

Hospitality Committee

Shirley Gronholm Chair

Education Committee

Kay Cimpl Chair  
Mary Ellinghuysen--Minnesota  
Vicki Schluge  
Barb Schmiechen  
Janet Everitt--Michigan

Exhibitors Committee

Kathy Strube Chair  
Carol Antoniewicz  
Jean DeMuzio  
Joan Clausz  
Joy Shong

Microcomputer Lab Subcommittee

Kathy Strube Chair  
David Kinsey  
Elizabeth Wong

Advertising Committee

Glynis Asu Chair  
Sharon Wochos  
Mary Jo Baertschy  
Maureen Farmer  
Ann Towell

Program Committee

Ruth Holst Chair  
Mary Blackwelder  
Barbara Keppel  
David Kinsey  
Robert Koehler  
Karen Roe

#### EDITORS NOTES

1) The Newsletter deadlines will again return to the first Wednesday of the month through October. The August deadline will be August 3.

2) Many people contributed to this Newsletter and for this the Editor is truly grateful. If you use a computer to write your copy, please remember to send your materials in 54 character columns, 12 pt. If the print is similar to that which we use, we can cut and paste the material and not have to retype it.

3) This next issue will be the annual continuing education issue. If your committee or consortium is planning special programs this next year please send me information about them and I will include that in the next Newsletter.

-Barbara Schmiechen, Editor

This Newsletter is published for the health sciences librarians of Wisconsin at the Center for Health Sciences Libraries, UW-Madison, 1305 Linden Dr., Madison, WI 53705. It is supported in part by the

MC/MLA is updating its roster of health science organizations.  
To date it lists only WHSLA for Wisconsin.

If you are aware of other organizations that health science librarians can and do belong to within Wisconsin, please fill in the following information and return the form to me by July 30. (Please make a copy of this form for each organization noted.) Thank you for your cooperation.
