AUGUST 1988

NO. 205

FALL CONTINUING EDUCATION ISSUE

COMING EVENTS

- September 15 & 16 Going it alone: Managing the One-Person Library. Two parts. SLA Regional Continuing Education 1988. Chicago. Information for SLA's Professional Development Program (202) 234-4200.
- October 16-19 MC/MLA Annual Meeting? Hilton-on-the-Circle. Indianapolis, IN.

CONTINUING EDUCATION 1988-89

I am always bought up short when it is time to plan another continuing education issue of the Newsletter. Not that I haven't been thinking about it, but summers seem rather short. We already have new residents beginning their work here at the Clinical Sciences Center and we're thinking about the students returning for the fall semester in a few weeks.

Many of you who have different budget cycles may have had to think of this some months ago. Sometimes I think we should poll people on our Newsletter mailing list and determine when they need to know about upcoming CE courses to assist them at budgeting time.

In spite of the cycle of your planning year, I hope the Continuing Education Issue again gives you a perspective on the opportunities for the coming 1988-1989 year. There are some new conferences such as Computers in Small Libraries that meet in the spring for which I do not have information. But keep those in mind also.

-Barbara Schmiechen

CONTINUING EDUCATION ACTIVITIES

ONLINE SEARCHING COURSES

ETN Online Users Group

The WHSLA Online Users Group has planned three sessions to assist you in your own searching as well as developing your skills in branching out to include the teaching of search techniques to your users. WHSLA has again subsidized this course so that the registration fee will be less for its members. The course will be held November 17, January 19 and March 16, all at 10:00-11:50. The registration fee will be \$53.00; \$40.00 for WHSLA members.

Included in this Newsletter is a registration form for the programs. Other ETN courses sponsored by the School of Library & Information Studies, Continuing Education Services, UW-Madison are listed on the form. If there are courses on the registration form that you are interested in and the full information is not available on that form, contact the SLIS Continuing Education Office at (608) 262-6398.

Online '88

Online '88 goes to the East Coast this fall, New York City to be precise. This important conference will be held October 10-12 at the New York City Hilton. End-users and hypertext are some of the main themes. The conference registrar is Tasha Heinrichs, 11 Tannery Lane, Weston, CT 06883 (203) 227-8466.

Online Search Training Programs at MCH

A number of online training courses are being offered at Medical College of Wisconsin's Libraries. For further information about the courses contact Jackie Glick at (414) 257-8329. In most cases you will need to register directly with the vendors offering the courses.

- Sept 15 9:00-4:30 Introduction to DIALOG. \$125.00
 Sept 16 9:00-4:30 DIALOG-Beyond the Basics. \$125.00
 Sept 28 9:30-11:30 DATA STAR-An Overview-Free
 1:30-3:30 DATA STAR Online-Free
 (Limit 15 for each course)
 Sept 29 9:00-4:00 DATA STAR-Pharmaceutical
 Databases-Free-Limit 15
 Nov 2 9:00-4:30 DERWENT World Patent Index
 Seminar \$100.00 Limit 15
 Nov 16 9:00-4:30 Introduction to BRS
 \$110.00-Limit 12
 Nov 17 9:00-4:00 BRS-Biomedical Databases
 \$110.00 Limit

GENERAL HEALTH SCIENCES LIBRARY PROGRAMS

Seminars for Health Sciences Librarians

This series will continue to be offered for Health Sciences Librarians and any other persons interested in the range of programs. The seminars have traditionally been considered as a more advanced course, particularly when a basic library management course was offered via ETN. During the past three seasons WHSLA has attempted to supplement the decision to drop the 12-week Basic Management for Health Sciences Librarians with a day long course in conjunction with the WHSLA Annual Meeting. Therefore the Seminars along with the Online Group are the ETN offerings to keep health sciences librarians updated in their work. The program for 1988-1989 shows a wide variety of subjects.

We are pleased to again meet on the first Wednesday of every other month, beginning in November at 10:00-11:50. We will function this year with a five minute break at 10:55-11:00 as a suggestion from listeners. The program for the year is as follows-

November 2
 Drug Information
 Kathryn Grant
 Director, Drug Information
 UW-Hospitals and Clinics

January 4
 Medical Terminology
 Carolyn Barloga
 Corporate Information Services
 Northwestern Mutual Life-
 Milwaukee

March 1
 Multitype Library Cooperation
 Kay Hlenfeldt
 Multitype Library Consultant
 Division for Library Services

May 3
 Health Care Information
 Ira Kauffman
 Chief, Health Data Analysis
 Center for Health Statistics
 State of Wisconsin

Registration forms for this series can be found in this Newsletter.

MC/MLA

The 1988 MC/MLA Annual Meeting is set for October 16-19, 1988 at the Hilton-at-the-Circle, Indianapolis, IN. The theme "Keeping on the Fast Track" is recognizing and enlarging on the continued efforts to provide library services in a fast-paced world of technological growth and organizational changes. A change in the days of the meeting from the traditional Wednesday-Saturday to Sunday-Wednesday allows the participants to take advantage of the over-Saturday-night airfares and see some of the changes in a city like Indianapolis. Continuing Education courses will be held on Wednesday at the end of the Conference rather than the beginning. For full information about the meeting contact Marie Sparks, Program Coordinator, 317-255-6932 in Indianapolis.

The Certificate of Professional Development

The School of Library and Information Studies, UW-Madison again offers this series of courses for professional enhancement. Certificates of Professional Development are available in the area of Library Management, Library Automation, Youth Services, Bibliographic Instruction, and Preservation. To be eligible for the Certificates a minimum of 12 CEU's must be completed. The courses this fall range from .08 to 2.2 CEU's. There is one course being offered in Marshfield and the rest are being held in Madison. Contact the School of Library and Information Studies, Continuing Education Services, University of Wisconsin-Madison, 600 North Park St, Madison, WI 53706 (608) 262-6398.

FROM THE WHSLA PRESIDENT

WHSLA made a small profit of \$298.16 from the annual meeting held in Eau Claire. Once again, thanks to everyone who helped in making the meeting a real success.

-Cynthia Reini, WHSLA President
Bellin Hospital, Green Bay

NEW WISCONSIN BIOMEDICAL UNION LIST

There is an order blank in this Newsletter for the 4th Edition of the Wisconsin Biomedical Union List of Serials. Keep yourself and your library services current by investing in this important resource. This is a list of the holdings of Wisconsin Basic Health Sciences Libraries, Resource Libraries are not included. Unlike most things these days the price of the list is the same as the 1987 edition.

FOX RIVER VALLEY CONSORTIUM

On July 11th, nine consortium members attended a demonstration of WISCAT on CD-ROM at St. Elizabeth Hospital, Appleton. Mary Bayorgeon and Karen Knorr demonstrated the different capabilities of the system and discussed its advantages and disadvantages. Time was allowed for hands-on experience.

On Wednesday, July 20th, Mary Kotschi, Winnebago Mental Health Institute, gave birth to Sara Marie. Congratulations Mary!
-Cynthia Reini
Fox River Valley Consortium Coordinator

PEOPLE

SUE SCOTT is the new Librarian at Beloit Memorial Hospital. She succeeds SHERRY BYRD who is now at University of Illinois Medical School at Rockford. A welcome to Sue.

EDITORS NOTES

i) The September Newsletter will have a September 7 deadline for material. Our photoduplicating center's work output seems to be slower than usual this summer, so some of you are getting Newsletters as I am working on another one.
-Barbara Schmiechen
Editor

This Newsletter is published for the health sciences librarians of Wisconsin at the Center for Health Sciences Libraries, UW-Madison, 1305 Linden Dr., Madison, WI 53705. It is supported in part by the Wisconsin Health Sciences Library Association.

JOURNAL FORMAT

Any listing of journals for the Journal Exchange should be typed on 8 1/2" X 11" white paper using 1/4 inch margins. The columns should be typed no wider than 3 inches. This allows for cutting, pasting, reduction and paper savings.

SAMPLE FORMAT 8 1/2" X 11" white paper

Continuing Education Units: One hour of continuing education credit is awarded for each hour of instruction. Ten hours earns one Continuing Education Unit. This course earns .8 CEUs.

The National Medical Library Association has approved these seminars for recertification credit. The amount of credit has been set at 8.0 contact hours.

In order to receive credit, attendance rosters provided at each program **must** be signed and returned.

REGISTRATION DEADLINE: October 5, 1988. Registrations received after this date will not receive materials in time for the first program.

TO REGISTER: Simply fill out the Enrollment Form.

FEES: The fee of \$25.00 includes four programs, program outlines and materials, and attendance records.

FOR MORE INFORMATION: Call Nancy Vitbrandt at (608) 263-2860.
