

ADDING ACTIVITIES TO ENGAGE YOUR AUDIENCE

ONLINE POLLS, GAMES, AND ACTIVITIES

- Poll Everywhere - <https://www.polleverywhere.com/>
 - Free with 25 responses per poll (\$\$ for more responses)
 - Embed polls easily in PowerPoint Presentations
- Kahoot - <https://create.kahoot.it/login>
 - Interactive games (takes planning and time to create one)
- Other activities/tools
 - Situation/scenario discussions
 - Online teaching software
 - Online conferencing software

Look for features to create activities to engage your audience!

POLLS IN GOTOMEETING

POLL EVERYWHERE EXAMPLE

What tools have you used for presentations or instruction?
List as many as you can think of.

 Respond at PollEv.com/ritamitchell472

 Text **RITAMITCHELL472** to **22333** once to join, then text your message

A word cloud visualization of responses. The most prominent word is "polleverywhere" in large black font. Other visible words include "kahoots", "kahoot", "snagit", "everywhere", "canvas", "polls", "jungking", "wit", "timeline", "charm", and "pollanywhere" (written vertically on the right side).

THANK YOU!
